Rushbrook Primary Academy

Subject Information. KS1 Computing

In Key Stage One the children become familiar with having their own private passwords, storing and retrieving files and using an increasing range of programs for given purposes. In KS1, the children are first introduced to Computer Science and the specific vocabulary that goes with it (algorithms, logical reasoning and debugging). The children are taught to use technology safely and respectfully following our SMART rules for Online Safety. Pupils will be taught about:

- Online Safety
- Effective Searching
- Creating pictures
- Grouping and Sorting
- Coding
- Animated Story Books
- Making Music
- Pictograms
- Presenting Ideas
