Subject Information

Music KS1

Music in Key stage 1

The power of Music, through the National curriculum and Kapow. Children access an array of skills and techniques through our curriculum. They learn to create a pulse and rhythm they percussion instruments. The children gain knowledge on how to develop a rhythmic pattern. They learn to hear the sounds of orchestral instruments. These skills will help to carry them through the key stages of their education. Whilst doing this they will continuously be developing their singing techniques and keeping in time.

Music in school connects us through people and places in our ever-changing world. It is creative, collaborative, celebratory and challenging. In our school, music brings our community together through the shared endeavour of whole-school singing, choir and ensemble playing, such as Ukulele and Keyboards.
Experimenting with the creative process and, through the love of listening and performances.
Children in KS1 experience, fun, enriching, inspiring and practical music lessons. Through the National curriculum and the Kapow Music scheme.

Pupils are taught to use their voices expressively and creatively by singing songs and speaking chants and rhymes. play tuned and untuned instruments musically. They are taught to listen with concentration and understanding to a range of high-quality live and recorded music.

Children are extremely lucky to access weekly music lessons each term, their lessons sparks curiosity and wonder with an incentive to perform.
