

Rushbrook Primary Academy

## Subject Information

### KS1 Geography

In year 1/2, the children will develop knowledge about the world, the United Kingdom and their locality. They will begin to understand basic subject-specific vocabulary relating to human and physical geography and begin to use geographical skills, including first-hand observation, to enhance their locational awareness.

#### **Children are taught about:**

- A Local Study—Where do I live?
- Continents and Oceans of the World —Who Lives Where?
- Local Mapwork
- Mapping the World
- Comparing the UK and China
- Farming

#### **These topics will be taught by looking at:**

- Locational Knowledge
- Place Knowledge
- Human Features
- Physical Features
- Geographical skills and fieldwork.
