

Rushbrook Primary Academy

Subject Information

UKS2 Geography

In year 5/6, the children will continue to extend their knowledge and understanding beyond the local area to include the United Kingdom, North and South America. This will include the location and characteristics of a range of the world's most significant human and physical features. They will develop their use of geographical knowledge, understanding and skills to enhance their locational and place knowledge. Children will be taught to:

Children are taught :

- Earthquakes and Volcanoes
- Time Zones and Cities around the World
- Trade and Transport
- Distribution of Natural Resources
- Comparing Manchester and Manaus
- Local Map Work

These topics will be taught by looking at:

- Locational Knowledge
- Place Knowledge
- Human Features
- Physical Features
- Geographical skills and fieldwork.
