

Rushbrook Primary Academy

Subject Information

UKS2 History

In year 5/6, pupils continue to develop a chronologically secure knowledge and understanding of British, local and world history, establishing clear narratives within and across the periods they study. They note connections, contrasts and trends over time and develop the appropriate use of historical terms. They regularly address and sometimes devise historically valid questions about change, cause, similarity and difference, and significance. They continue to construct informed responses that involve thoughtful selection and organisation of relevant historical information. They also continue to understand how our knowledge of the past is constructed from a range of sources.

Children are taught about:

- Ancient Greece
- Early Civilisations
- Local History—The Industrial Revolution in Manchester
- World War II—The Home Front
- Mayan Civilisation
- Windrush
